Changes In Surgery	Pharmacist has left, this sort of plan works for bigger surgery than small surgery. It is a long process to train them which takes 2 years then they can see the patients. We will see in future when they have been trained to see	

	<p>patient but at the moment its not viable for small surgery like ours.</p> <p>Two new Doctors have settled in well. Dr Jain and Dr Mansingh. Once Dr Wadhwa session discontinues at Prison he will be here at the surgery full time, so probably may not need these 2 GPs but will see what happens in new year.</p>

The translator needs to be clinical person. Dr Gurvinder Singh would be helpful to translate Punjabi. LDC are organising an event for which Nasima will send an invite to Doctors kindly accept this. Its on 27.01.16 – 3 till 5. Ballubhai has had an invite and has accepted but there has not been any response</p> <p>Kerry Holy who deals with Eden Project team wants to meet up with GP to discuss Diabetes in Ramadan. It has been decided that she can come at surgery on Monday, Tues or Thursday at 1.00</p> <p>Children Flu Vaccine: There are some Practice who has poor attendance within muslim community as this contains Gelatine, but we have given quite a lot of flu vaccine to children.</p>	<p>Nila to pass Dr Singhs number to Nasima</p> <p>Nasima will check this</p>
CQC	<p>CQC visit was good, nothing major. They will draft out the Report and send it to us before publishing it. As far as</p>	

	<p>Ballubhai is aware we can still challenge the report if we do not agree with anything that has been mentioned which we don't agree on.</p> <p>They rang Ballubhai and Nasima just to find out whether GPs and PM are active within the group and attends the Meeting.</p>
