TOPIC		ACTION
Building Work	There is no funding available at present, Dr R Wadhwa has contacted CCG but unfortunately we are not on priority list.	No action.
New Members	There were 2 new members (husband and wife) who were very interesting in joining PPG but unfortunately Mr Hurley passed away last week and wife has sent her apology.	
New Meeting Times	We will check with Dr Wadhwa and Ballubhai Patel if Tuesday 6.30 to 7.30 suits them for PPG meeting.	
A&E Attendance/ HUBS	HUBS are still continuing as normal, there will be changes in future sometime in October whereas Coleman Road may close and Merlyn Vaz may open. No changes at the moment. Patient can either ring 111 or 999 and they will redirect as necessary as per urgency.	-
Changes In Surgery	Pharmacist left as this was not working for us as we required someone to ease GPs time but Pharmacist was not trained to see patients. He was only seeing script for reviews, and hospital letters. Since his departure we have	

	<p>trained two girls in reception to deal with hospital letters. They both have had training.</p> <p>We now have two new Doctors; Dr Jain who is here full day on Wednesday and Dr Mansingh who is a retired GP from St Peters Health Centre who works full day on Friday.</p>	
OPEN DAY	<p>There are two Health events at Moat Community and Caribbean Centre first two weeks in October. This has been organised by Diabetic Centre, few Doctors are going to be there giving talk, £10.00 a stall, we can consider joining them or have one of our own health event.</p> <p>We cannot give flu vaccine on the day as this would complicate things as we would not know who our patient is as we would not have computer there to enter data or check.</p>	<p>We will check this with Mr B Patel and Dr Wadhwa</p>
NEXT MEETING – 1st Week in November in the evening
